

SIEC Update

Mark Venuti – SIEC Co-Chair

SIEC Action Items

1. AIRS SOP

2. MOU Template

3. Commission Vacancy

AIRS SOP Status

- ICTAP Representative Jennifer Hendry, PhD reviewed the latest draft of the SOP in detail with the SIEC
- Significant additional feedback was collected and is being integrated
- The PSIC Office is working to collect and integrate additional information still needed
- An updated draft will be circulated to the SIEC Workgroups and a teleconference to discuss pre-identified sections of the SOP will be held prior to the August 12th SIEC meeting

AIRS-Related SIEC Work

- Development of the SOP has identified AIRS-related oversight issues that will be brought forward for the SIEC to address
- Examples of Identified Issues:
 - Monitoring Coverage
 - AIRS Testing
 - Appropriate use of regional and statewide channels

Standard MOU Templates

- Using OEC SAFECOM Guidance and Recommendations for:
 - Structure
 - Questions to consider
 - Sample Language
- Examples of MOUs are being collected to help identify Arizona-related content that will be useful to share

Commission Vacancy

- One Commissioner is needed to fill the Roster
- A discussion and action item regarding the Commissioner position will be on the agenda at the August 12th meeting
- The Commission is seeking recommendations for individuals motivated and qualified to serve
